Great location. Great facilities.

The Innovation Centre is located within the heart of the city close to both universities. It's just a three-minute walk to West Street tram stop and an 18-minute walk or bus/tram ride to Sheffield station.

Nearby bars and restaurants mean it's perfect for entertaining, but if you want to get away, close proximity to the M1 and M18 gives you access to the rest of the UK. Fancy a break from city life? Take advantage of the Peak District National Park based right on the city's border.
